

altona Diagnostics is a medical diagnostic company that develops, manufactures, and sells *in vitro* diagnostic tests for the PCR based detection of pathogens such as viruses, bacteria, or parasites. Headquartered in Hamburg-Altona, Germany, altona Diagnostics is privately owned and employs over 350 people worldwide. The company has been active in the field of molecular diagnostics for more than 20 years and is ISO 13485 certified. Our business model is simple and straightforward: good people making good products and offering good service. Come join us if you share the same philosophy!

To support our Finance team in Hamburg, we are looking for a highly motivated and committed

## Head of Finance and Accounting (m/f/d)

### Your responsibilities

- Responsibility for preparing the individual financial statements as per German Commercial Code for the domestic (currently four) group companies
- Responsibility for the preparation of the consolidated financial statements as per German Commercial Code
- Technical and disciplinary management of the "Accounting & Controlling" unit with currently 4 employees
- Coordination and participation in the annual planning of the parent company and support of the subsidiaries in preparing their plans
- Expansion and maintenance of transfer pricing documentation
- Management of controlling
- Contact person for questions regarding accounting and taxes in the entire group of companies

### Your expertise

- Completed economics degree or comparable qualification
- Several years of suitable professional experience, ideally with an accounting firm or in the accounting department of an international company
- First management experience an advantage
- Sound experience in handling ERP software, ideally MS Dynamics NAV/BC365, an advantage
- Very good knowledge of common MS Office applications, especially Excel
- Very good knowledge of spoken and written English
- Analytical mindset and exact way of working
- Confident presence with strong communication skills

### Our offer

Benefit from a wide range of opportunities available within an expanding international company. You will work both independently and as part of a team in a highly motivated, open, and friendly environment. Family-friendly working hours along with a pleasant and familial working atmosphere await you.

### Are you interested?

Then we are looking forward to receiving your detailed application including your availability and salary expectations. Please send us your complete application documents (ideally in PDF format) using the "Apply now" button. Your contact person is Ms. Dina Jensen.
